## Mon histoire!

Le méchant  
fait peur,  
dans le château !  
Il est tout en haut  
de la maison.  
Il va tomber,  
comme ça !  
Il pleure.

DANS L'ESPACE ...

Quand j'étais dans l'espace,  
dans la nuit,  
un méchant est venu,  
et j'ai eu très peur!  
Mais j'ai pris mon doudou,  
dans l'espace,  
dans une fusée.  
Papa et maman m'ont protégée.  
Et je me suis posée ...

une fusée
