Mon teste du Recueil !

LA COCCINELLE ET LE RENARD

Le renard veut manger
un petit cochon.
Le cochon attrape
la queue du renard,
et l'amène
dans la cheminée...
Il mélange.
La coccinelle vole
tout autour du cochon,
voudrait bien goûter,
mais ne mange
que des fleurs !

NATHAN

L'OISEAU

L'oiseau
a tapé, avec son bec,
le menton de papa.
Il était rentré
dans la maison.
Papa a voulu
le faire sortir.
L'oiseau a eu peur.

LE LOUP

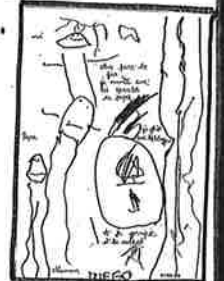

Regarde !
Le gentil loup
à côté de moi !
Il ne va pas
me manger :
c'est trop dur, pour lui !
Il ne mange
que les 3 petits cochons.
Il me donne la main
et ne crie pas.

AU PARC

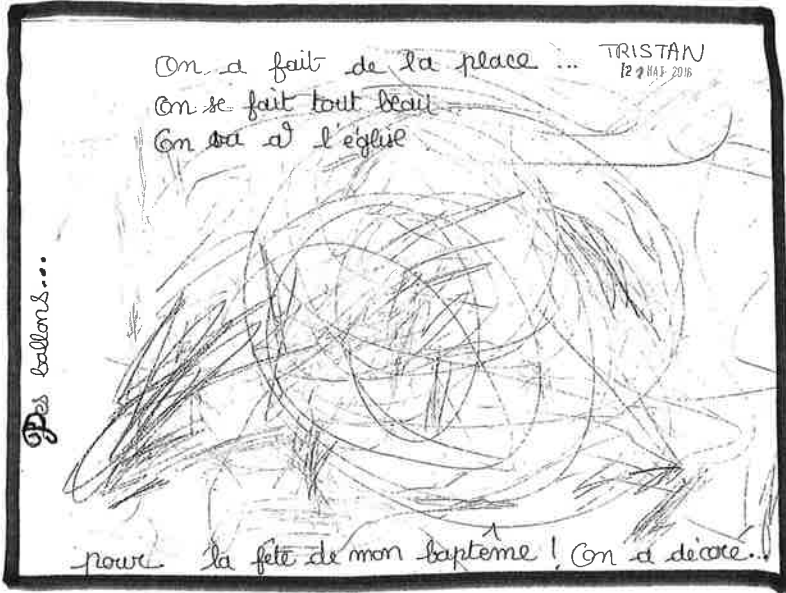

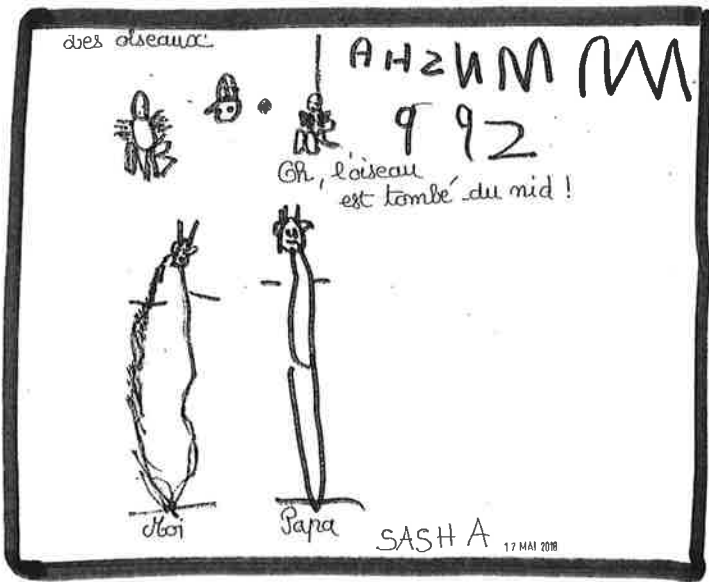

Au parc de jeu,
je monte
sur les épaules
de papa.
Je glisse
sur le toboggan
et je grimpe
à la corde.
